Beth: Who is going?

Tom: Why?

Sophie: Money was the issue

Tom: Could we use our budgets to subsidise

Grace: Not fair to only do it for JCR members, it's an expensive event can't afford it.

Tom: Those who don't, don't discipline, that's for me to do guys. Just reminders

Qas: Tell them to go see them cause of new internationals

Tom: Message them personally too?

Beth: Fresher reps still even though block reps?

Qas: Yeah you still are. It's kinda both

7. PRINT LOG FOR MEDIA AND COMMS

Grace: Don't touch, it's ours. We're keeping a log so always keep in contact with us please

8. BEV'S HILLS VIDEO FILMING

Mike: We want to film 6:30 Friday night.

Adam: can't cause of football training

Mike: We want to make a whole bevs hills including a video intro everything. Maybe anything else if we want

Qas: Don't want the whole one just us, included as much as possible within reason

9. INTERNATIONAL STUDENT FEEDBACK

Grace: Can't assume what people want. Can't represent without asking. I've talked to friends in china. Wheebo app in mandarin

Qas: *makes a non-descript noise*

Grace: What? Anyway. My friends offered to do translating

Qas: Highest internationals so we should definitely do it. Bowland are doing it too

Grace: It's the international social media so we want to post on there in mandarin to be inclusive. This international event especially

Sophie: Bowland wanted to join with us in the Chinese new year. There's a Manchester event. Travel back in time to be with culture society. Nice to link in

Grace: Chinese who don't use Facebook. Savni's got that covered. Gives us a platform

Beth: Important to reach out to them, Chinese don't hear about it. It's a success just to get one person involved

10. DALTON/GLOW ROOMS ISSUE

Grace: Saw a bouncer punch someone. Told them about it. They've done nothing about it. Threatened them with a loss of college business. The issue isn't good the students shouldn't be ignored. Shouldn't have had to bring my authority into it

Adam: Does this affect plans for pub to club with bingo Monday nights?

Qas: Be aware how they treat students then. This is bigger than just us, LUSU business. FGH are a huge security company. Contact them personally. It'd be a shame to lose such a big venue

Tom: not about losing but maybe getting discipline. If he's in contact see what he can do

Beth: It's not really Dalton

Tom: Grace got ignored by Dalton though

Beth: Girl at sugar got beaten up though guys. It's not just Dalton its bouncers in general perhaps

Ed: FGH, are they everywhere?

Adam: Company pride themselves on being respected. They do Manchester pride and Kendal Calling. Lewis works with them and had an issue but that did get dealt with. Maybe we need to push

ANY OTHER BUSINESS

Mike: If you want stuff made please let us know as SOON AS POSSIBLE. Give us ideas and everything. Just give us time to make really good stuff

Grace: Last year the fb event just didn't go up in time because they didn't get told

Sophie: I'll message you but we want Trev's Arcade and weekly pub quiz cover photos and stuff
Adam: they were poor last year guys so GET ON THIS

Beth: Lancaster award work shop?

Mike: I WANT TO GO TOO

Tom: Week two for Lancaster award

Beth: Three

Tom: Yeah for those signed up and haven't done anything need a kick up the bum

Ellie: YEAH I need to talk to you

Ellie: Now quick hands up. Target connect?

Adam: Spam daily, constantly delete what's up with that?

Ellie: Lancaster award? Who's signed up? Did you go to work shops?

general consensus of yes

Ellie: career workshops?

couple of yesses

Mike: Bev emailed me today with career sessions. On fb page

Ellie: Don't think I got that gosh. Um. Can't multitask. What was I gonna say. Careers. What is your faculty called?

FASS, FST, LUMS, FHM

Ellie: Career stuff is based on faculty!

Mike: I'm an FST student rep, and in Maths department, always told to go department first. Faculty get left out of a lot of stuff

Ellie: Signposting those who are specific. Do we know where to though?

Sarah: not really so many emails

Ellie: That's it I think. Anything else about Education?

Mike: Page I liked for Mind Your Own Business! We didn't know it existed!

Beth: FB share it

Ellie: Didn't know it existed till I got made admin!

Tom: Private conversation needed mate

Ellie: Just inviting people

Sophie: Carnage! Week 5, it's Thursday so will it affect 15 hour? Last year we went out a lot so we still went

Qas: We had the discussion last year. About valentine's day. They still wanted to do it. Because it's traditional we can't change it. Training told us not to stick to the mould! We are reducing tickets down to 200/250

Mike: 15 hour writes off the entire weekend though. People go visit people

Beth: People have already bought train tickets it's too late now like

Sophie: Tell the next JCR!

Qas: Won't be an issue next year though because valentines is a Tuesday

Sophie: Its infamously week five however, can't really change

Qas: With reduction should be fine

Adam: When's carter shield

Nicola: 7th and 21st

Sarah: Is there a limit for times we can have bar deals?

Adam: They don't like doing it if there isn't consistently a gain. So it's hard. Got to go through the bar

Beth: What's the next event

Karl: Open mic then Trev's Arcade week 3

Qas: Bingo?

Karl: That starts week 6

Mike: Is that gonna work straight after the 15 hour?

Adam: Though it was 3,5,7,9?

Sophie: Weren't thinking 3 because it's so soon

Tom: Overload of events week five

Qas: Gonna use Google calendar to plan our all of our events cause of communications. Bowland do weekly events and just no one goes. Lost in translation. One every two weeks works because it's not over doing it. Pub quiz doesn't count. Not 'events'

Tom: Media team, week five is a fundraiser. Want the college to decide

Beth: Completely open?

Tom: Five

Beth: Ideas?

Tom: Guidedogs

Mike: Advertise in week five what people want to email in

Grace: We could do the counters

Tom: What if people cheat!

Ellie: Shows passion!

Grace: Porters

Adam: Counters with a drink, at the bar

Tom: Same people though. Facebook event or blocks?

Grace: Facebook poll is easy to do

Beth: Could we incorporate into social. At the pub quiz

Qas: Ask socials team to add space at the end of the quiz for ideas

Tom: That'd be good

Beth: Yeah

Tom: Posting on every block page for events

Adam: Should be used more often

Esther: Only freshers though

Ellie: Should we introduce ourselves then? With the off campus, do they still sign sheets?

Tom: Dunno. Don't think so, just lots of messaging

Ellie: They were pretty active and talked a lot. It was quite good

Tom: Off campus reps were great last year

Beth: Fresher rep forms will be week three

Tom: Meeting with Rev Kev he'll talk to you there

Mike: Will we be holding fresher rep event to get people interested? If yes. Tell me!

Adam: on that subject, general meetings are so badly attended could we join events. Like with fresher rep events

Tom: Shows more commitment

Beth: Announce themes at the general meetings? Getting people to GO

Grace: Oh FGH are going to give me a call at 7:30

Qas: RIGHT fifteen hour theme, KEEP IT A SECRET

Tom: Wasn't me

Adam: It was.

Qas: Also for extrav, Dear god don't tell anyone. It's up to Karl when he tells us the theme

Qas: We got gifted this painting. WHAT DO WE DO WITH IT?

Qas: We could give it to the bar or the tv room....?

Qas: That corner of the tv room...

Qas: I'll ask about tv room

Qas: Safe and money. We had a safe. But we weren't meant to have a safe

Grace: Damon bought it

Tom: Why can't we have one?

Qas: It wasn't safe or secure so when we do sales we have to find somewhere else to put it. Bev and the porters have a floor safe that can't be taken out so give it to one of them

Esther: What about the floats

Qas: We aren't really allowed petty cash

Grace: We're supposed to have floats though

Qas: I started cleaning the office. If I could get help that would be good. It's just moving stuff

Tom volunteers his team

Qas: And the store

Adam: It's not too bad in there

Qas: Trev has food!

Wooo noise

Qas: In the next couple of weeks -newly edited in comment- *theres going to potentially be evening food release*

Beth: Tea sorted!

Qas: No in the following weeks guys, up till 5pm

Beth: How is the pasta?

Yum consensus

Qas: Media and Comms need to do a poster, Lewis made the current one in a rush. The bar could be busy!

Qas: Not allowed to bring food in? it's not true. Lewis was lying. Ignore him. Not allowed soft drinks though, it's a bar. Dry January pop is a pound, 5p off when you order food!

Grace: That's a carrier bag!

Adam: 25p off would be a bargain! But ugh 5p is so inconsiderate

Beth: Like I spent half an hour discussing change and offers

Tom: We should get a change box for charity

Ellie: What about wateraid, there's a problem with putting money in the bar. I dunno same with trev? Issues? Can't do water aid! There were LUSU related issues. It has to be representative of what people want

Beth: Did you message the exec of night line. Any information about cards for internationals?

Time difference etc. So let's make nightline more aware. Basic information cards to inform.

Coursework, opening times, how tos

Grace: Printing and cards, where's the budget coming from?

Tom: It can come from ours?

Tom: I thought we were doing it online for next year's internationals in September

Beth: Team we have come up with loads more to do

QAS: Anna Lee created a booklet for each college with relevant info and people in but they were never collected from LUSU. It was shocking. I stole them. I'll give them to welfare. To have a solid welfare welcome

Beth: Furcats as well. If we get info out there about them

Qas: They're really useful. I know it used to be that you go to JCR welfare who would get you in contact with the counsellors. The furcats are super quick and super good. We should do stuff about that

Mike: Healthy eating campaign?

Tom: Weeks 2,4,6,8 we were gonna do videos as well-

Mike: Don't have enough time

Tom: We were gonna do it

Qas: Should probably get mike to do it so its good quality

Qas: If its poor no one will watch them

Adam: They're media for a reason

Qas: Be inclusive guys TEAM

Grace: Mix with sports

Adam: Nick said something about a couple of dart boards getting lost in LUSU store?

Nicola: We'll look into it

Qas: We are the winners of carter shield

Sarah: Contested

Qas: It's being changed on the shield. Last year we were joint with Bowland in flag football but that never happened so they just gave it to Bowland. we were FUMING. last year's sports lot contested. It turns out WE WON. So they've changed it to us. we may never win again because bar sports has been included

Adam: One at a time!

Tom: Thought it was about it being obscure points

Qas: BEING inclusive

Grace: We want to get the minutes online. Make a fb post about it

Mike: Cake ?

Qas: Only if you go to the pub quiz

Ellie: Cake on Friday!!

Grace: Before you leave, be ready to do the video Friday guys!

Adam: MINGLEEEEEEEEEEEEE

End.

Added point, those who went to the Pub Quiz, did not receive cake.
